Loss of Introductory APR: We may end your introductory APR and apply the penalty APR if you make a payment more than 60 days late.

These Account Disclosures for the Visa Signature Credit Card are part of and integrated with your Credit Card Agreement and Disclosure with OneAZ Credit Union.

How is the Rebate Reward Calculated?

The Rebate Reward is calculated on each individual purchase transaction and rounded (up or down) to the nearest whole dollar. The individual results are then added together and we subtract any returns, credits, or adjustments to determine the net rebate earned. The Rebate Reward is calculated monthly.

How do I redeem my Rebate?

Rebate Rewards are credited to your cardmember statement on a quarterly basis as follows:

- March
- June
- September
- November
