

Verified by Visa

Verified by Visa is the easy way to enjoy added security for all your online OneAZ Credit Union Debit and Credit Card purchases. OneAZ Credit Union and Visa are pleased to offer you this great service and enhanced security at no additional charge.

Overview

Verified by Visa is a service that lets you add a personal password to your existing OneAZ Credit Union Card. You get added safety and the reassurance that only you can use your registered OneAZ Credit Union Card online.

How Verified by Visa Works

Online shopping is quick and easy when using your Verified by Visa activated card. Here's how it works:

- Just shop at any participating Verified by Visa online store.
- While completing a purchase, you'll be asked to enter in your Visa card details as usual.
- When you submit your order, the Verified by Visa window will appear.
- Simply enter your personal Verified by Visa password, then click submit.
- A confirmation message will appear, and your purchase will be completed.

How to Register

Registration only takes a short time. Once your card is activated, your card number will be recognized whenever you purchase at participating online stores. You'll enter your password in the Verified by Visa window, your identity will be verified, and the transaction will be completed. In stores that are not yet participating in Verified by Visa, your card will continue to work. To register, visit usa.visa.com.

Already registered? Update your information by customizing your Personal Assurance Message, giving you extra confidence that the Verified by Visa window you see during the purchase process is indeed genuine.

Update Information

If you choose not to register now, you may register at any time during the purchase process at any online store participating in Verified by Visa. Your card will automatically be recognized and you will be prompted to register before your purchase is completed.
