The par value of a share in this Credit Union is five dollar (\$5.00). If the balance in your primary share Account drops below one (1) share, five dollars (\$5.00), at any time, We may, at Our option, close your Account.
- b. **Nonsufficient Funds Returns.** Any share draft or pre-authorized transfer, or transaction made through the use of a debit Card, or other electronic means, as is applicable (including any in-person transaction), that is presented to Us for payment on your Account when your Account lacks sufficient collected funds to pay any such item may, at Our option, be returned for nonsufficient funds or We may honor any such item and charge You a fee for doing so.

- c. Overdraft Balance Calculation.** When processing transactions that debit or credit your Account, We start each Business Day with your final Account balance from the preceding Business Day. The final balance takes into account all of the debit and credit transactions that were settled that Business Day pursuant to Our Funds Availability Policy, as well as any other debits or credits to your Account that were finally settled that day, as described above in the "Deposit of Items" and "Collection and Processing of Items" sections of the Account Agreement. This starting balance at the beginning of a Business Day (the preceding Business Day's final balance) is sometimes referred to as your "actual balance."
1. As credits and debits to your Account are received by Us, We add them to and subtract them from your actual balance. Examples of credits include, but are not limited to, electronic direct deposits, check deposits that have been fully and finally collected, ACH credits that have settled that day, and cash deposits made to one of Our tellers. Examples of debits include, but are not limited to, checks drawn on your Account that are presented to Us for payment together with such checks that are returned unpaid and subsequently represented for payment, electronic fund transfer (EFT) debit transactions (such as preauthorized payments and settled EFT debits), and all reinitiated electronic fund transfer (EFT) debit transactions (such as preauthorized payments), memo-posted EFT debits (EFT debits that We have authorized but which have not been settled), and all Credit Union fees and charges. As noted above, these examples are not an exhaustive list and should not be construed as such. The result of this calculation at any given point in time is called your "available balance."
 2. For the purpose of determining whether an overdraft has occurred, We use your available balance. First, We add all of the settled credit transactions to the beginning actual balance. Then, We subtract all of the debit transactions that settled that day. We also subtract all of the pending debit transactions. This determines the available balance for overdraft purposes. Each debit transaction that We process when your Account has a negative available balance is an overdraft, subject to an overdraft charge.
 3. Subject to applicable law, You are responsible for paying any overdraft fees and charges assessed in connection with Our payment of an overdraft, as well as any NSF fees charged to your Account when We dishonor and return an item for non-sufficient funds. It is your responsibility to know your Account balance, and if You have any questions, You should contact a Credit Union representative.
- d. Additional Transaction Limitations.** For all Accounts (except share draft Accounts), the Credit Union reserves the right to require a member intending to make a withdrawal to give written notice of such intent not less than 7 days and not more than 60 days before any such withdrawal.
- e. Variable Rate Information.** For all variable-rate Accounts, the interest rate and APY may change at any time based on the determination of the Credit Union's Board of Directors.
- f. Nature of Dividends.** All dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.
- g. Compounding and Crediting.** For all dividend-bearing Accounts, dividends will be earned daily for each day on which your balance exceeds the minimum balance requirement for your Account. The dividend period is Monthly, and dividends will be compounded and credited to your Account Monthly.
- h. Balance Computation Method.** For all dividend-bearing Accounts (except checking Accounts), dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the Account each day. For checking Accounts, dividends are calculated by the average daily balance method which applies a daily periodic rate to the average daily balance for the average daily balance calculation period. The average daily balance is determined by adding the full amount of the principal in your Account for each day of the period and dividing that figure by the number of days in the period.

- i. **Accrual on Noncash Deposits.** For all dividend-bearing Accounts, dividends will begin to accrue on the business day that You deposit noncash items (e.g., checks) into your Account.
- j. **Fees and Charges.** Any fees and charges applicable to your Account are disclosed on the accompanying schedule of fees and charges provided in conjunction with these Agreements and Disclosures.

FUNDS AVAILABILITY POLICY DISCLOSURE

Except for checks drawn on foreign banks in foreign countries, this Disclosure describes your ability to withdraw funds from transaction Accounts at OneAZ Credit Union. You should also refer to the section of these Agreements and Disclosures that describes the details of your specific Account type.

53. YOUR ABILITY TO WITHDRAW FUNDS. Our policy is to make funds from your cash and check deposits available to You on the business day We receive your deposit. Electronic direct deposits will be available on the day We receive the deposit. Once they are available, You can withdraw the funds in cash and We will use the funds to pay checks that You have written.

54. DETERMINING THE AVAILABILITY OF A DEPOSIT. The length of the delay is counted in business days from the day of your deposit. For determining the availability of your deposits, every day is a business day except Saturdays, Sundays, and federal holidays.

For all deposits (except those made through the remote deposit capture system), if You make a deposit prior to 5:00 PM Mountain Standard Time, on a business day that We are open, We will consider that day to be the day of your deposit. However, if You make a deposit after 5:00 PM Mountain Standard Time, or on a day We are not open, We will consider that the deposit was made on the next business day We are open.

For all deposits made through the remote deposit capture system, We will consider the day that We receive final settlement as the day of your deposit.

55. LONGER DELAYS MAY APPLY. In some cases, We will not make all of the funds that You deposit by check available to You on the business day We receive your deposit. Depending on the type of check that You deposit, funds may not be available until the second (2nd) business day after the day of your deposit. The first \$225.00 of Your deposits, however, may be available on the first (1st) business day.

If We are not going to make all of the funds from your deposit available on the business day We receive your deposit, We will notify You at the time You make your deposit. We will also tell You when the funds will be

2355 W. Pinnacle Peak Rd., Phoenix, AZ 85027
1.844.663.2928 | OneAZcu.com

available. If your deposit is not made directly to one (1) of Our employees, or if We decide to take this action after You have left the premises, We will mail You the notice by the business day after We receive your deposit.

If You will need the funds from a deposit right away, You should ask Us when the funds will be available.

In addition, funds You deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check You deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on anyone (1) day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your Account repeatedly in the last six (6) months.
- There is an emergency, such as failure of computer or communication equipment.

We will notify You if We delay your ability to withdraw funds for any of these reasons, and We will tell You when the funds will be available. They will generally be available no later than the seventh (7th) business day following the day of your deposit. In any case, We reserve the right to refuse an item for deposit or encashment.

56. SPECIAL RULES FOR NEW ACCOUNTS. If You are a new member, the following special rules will apply during the first thirty (30) days your Account is open. Funds from electronic direct deposits to your Account will be available on the day We receive the deposit. Funds from deposits of cash, wire transfers and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first (1st) business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to You. The excess over \$5,525.00 will be available on the ninth (9th) business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one (1) of Our employees, the first \$5,525.00 will not be available until the second (2nd) business day after the day of your deposit. Funds from all other check deposits will be available on the ninth (9th) business day after the day of your deposit.

57. ATM DEPOSITS. For deposits made at ATMs owned and operated by the Credit Union, deposits will become available for withdrawal based on the availability schedule described above. For deposits made at ATMs not owned and operated by the Credit Union, deposits will become available for withdrawal on the fifth (5th) business day following the day of deposit. All ATMs that We own or operate are identified as Our machines.

58. HOLDS ON OTHER FUNDS. If We cash a check for You that is drawn on another institution, We may withhold the availability of a corresponding amount of funds that are already in your Account. Those funds will be available to You at the time that the funds from the check We cashed for You would have been available if You had deposited it. If We accept for deposit a check that is drawn on another institution, We may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that You have on deposit in another Account with Us. The funds in the other Account would then not be available for withdrawal until the time periods that are described elsewhere in this policy for the type of check that You deposited.

59. LOCATION OF CHECK ENDORSEMENTS. Federal law requires all check endorsements to be in the first 1-1/2 inches of the trailing edge of the back of the check. The trailing edge is opposite the left side of the face of the check, the side of the check just behind Our address. You will be responsible for any costs incurred by Us due to delays in returning checks deposited into your Account that do not comply with the endorsement standards.

60. DIVIDEND PAYMENT POLICY. See the Account Disclosures section in these Agreements and Disclosures for Our policy on the payment of dividends.

AGREEMENT

This Wire Transfer Agreement applies to wire transfers that are not “Remittance Transfers” as defined in the Electronic Fund Transfer Act (15 U.S.C. 1693o-1) and Regulation E, Subpart B (12 CFR 1005.30 *et seq.*).

We are authorized to charge your Account for the payment of wire transfer requests. If more than one (1) Account(s) is designated, We may charge any of the designated Accounts unless You give Us specific written directions otherwise. Your transfer requests may involve the transfer of funds from any of your designated Accounts with Us to another Account You have with Us, to any other financial institution, or to a third party or Account of a third party maintained with Us or any other financial institution. There are no restrictions or limitations on the amounts which may be ordered or requested, or on the location or address of the beneficiary of a transfer unless You give Us written instructions to the contrary.

The party(ies) named in your application for membership are the Authorized Persons who may issue payment orders to Us for the initiation of wire transfers or to receive telephone calls from Us, in accordance with this Agreement, for the purpose of confirming payment orders for the initiation of wire transfers which have been transmitted to Us under this Agreement for any Account designated in your application for membership. For confirmation purposes, We may call any party designated in your application for membership. If more than one (1) Authorized Person is named, anyone (1) of them may issue payment orders on any designated Account. Wire transfer requests must be given to Us in compliance with Our cut-off hours as established from time to time by Us. We are not responsible for the accuracy of a routing number which You supply verbally and which is contained in your wire transfer request. Wire transfer requests received by Us after Our cut-off hours may be treated as if received on the following business day.

We have no obligation to accept or execute any wire transfer request. We will provide You telephonic notice of rejection. If We are unable to reach You by telephone, We may at Our option give You notice of rejection in writing.

If We accept a wire transfer request consistent with this Agreement, You agree that any such transfer requests which We receive are effective as your transfer request, whether or not authorized.

You will have no right to cancel or amend a payment order to initiate a wire transfer after We receive it. We will make a reasonable effort to act on a cancellation or amendment of a payment order made by You prior to the time that We execute such payment order, but We have no liability if your cancellation or amendment is ineffective.

You agree to re-execute this Agreement or to execute a new agreement if changes are necessary. Your application for membership designates any Account which may be charged in relation to wire transfer requests. All parties which You have authorized to issue wire transfer requests or to receive telephonic confirmations from Us are identified in your application for membership. All modifications or additions to your application for membership must be in writing.

You agree to pay Us the amount of any transfer request which We transmit pursuant to this Agreement when We execute a payment order to carry out your wire transfer request. You will not make any wire transfer request which would cause You to exceed the available balance in the Account designated to pay the transfer request. If a payment order is executed which creates an overdraft, with or without Our prior consent, You agree to pay Us

the overdraft amount and any overdraft fee immediately upon Our demand. We have the right to set-off the amount of any overdraft against the balance in any of your Accounts with Us and We may exercise any rights We have under any agreements which grant Us security for the payment of your liabilities or obligations to Us.

You understand and agree that the payment of a wire transfer request may be made by Us or any other financial institution used to carry out the transfer request on the basis of an identifying or Account number which You have provided for a beneficiary, even if the number identifies a person different from your intended beneficiary. You also understand and agree that We or any other financial institution used to carry out a transfer request, may rely on the identifying number of the intermediary or beneficiary's financial institution which You have provided as the proper identification of the intermediary or beneficiary's financial institution, even if the number identifies a financial institution different from the one (1) You intended to identify. We or any other financial institution are not responsible for determining whether any identifying or Account numbers You have provided to initiate a wire transfer are accurate. You will be liable to Us for the amount of any transfer request even if payment of the transfer request is made to a person different from the named beneficiary based upon the beneficiary's identifying or Account number provided by You or payment of the transfer request is made to a financial institution different from the one (1) identified by name based on the identifying number which You have provided to Us.

You agree to examine any statement or confirmation which We send You and to notify Us within 30 days after the mailing date on any statement or confirmation, of any discrepancy or error. If You fail to notify Us of any discrepancy or error within the required time period, You agree that We are not liable to pay interest or reimburse You for any discrepancy or error in relation to a transfer request described in such statement or confirmation.

You and the Credit Union agree that the following specified security procedures represent a commercially reasonable method of providing security against unauthorized payment orders: (a) Only individuals named in your application for membership shall issue wire transfer requests to Us; and (b) We reserve the right to telephonically contact any individual named in your application for membership for the purpose of confirming a transfer request, regardless of amount, although We have no obligation to do so. If We cannot obtain a confirmation satisfactory to Us, then We reserve the right to refuse to honor any wire transfer request.

We have no responsibility to verify the identity of any party identifying themselves as an individual authorized to receive a telephonic confirmation of any wire transfer request, other than to verify that the name given by such party corresponds to a party named in your application for membership. If, for any reason, We are not satisfied that a wire transfer request was issued by an authorized party or confirmed by an authorized party, We may refuse to execute the transfer request. If We do so, We shall not incur any liability of any nature. You agree to prevent disclosure, other than on a need-to-know basis, of any of the aspects of the security procedures which You have agreed to with Us. You will notify Us immediately if You believe the confidentiality of the security procedures has been compromised and You shall act to prevent the security procedures from being further compromised.

We have no liability of any nature for delays or mistakes, provided We act in good faith and with reasonable care. We are not responsible for delays or mistakes caused by other parties through whom We transmit funds whether such other parties were selected by You or Us. We are not required to make a wire transfer on the day a wire transfer request is received, unless the wire transfer request is received within a reasonable time before any cut-off hour We have established. We will generally use the funds transfer system, but We may use any means and routes that We, in Our sole discretion, consider suitable for the transmission of funds.

You agree that We have no liability and are not responsible for any delay or failure to transfer any amount specified in any wire transfer request because of rules, regulations, or policies of the Federal Reserve Board which limits, in the aggregate, the amount We can transfer from time to time during any business day, provided, however, that We will promptly notify You of any such failure or delay and will effectuate the transfer as soon as is reasonably possible.

We shall have no liability whatsoever for any special, consequential, punitive, or indirect loss or damage suffered by You in connection with services offered by Us which are subject to this Agreement, regardless of whether We know or should have known such damages might be incurred. We have no responsibility for any attorneys' fees that You might incur.

We may terminate this Agreement at any time by giving written or oral notice to You. Unless We terminate this Agreement, the Agreement shall remain in effect until We receive written notice of termination from You and have been afforded a reasonable opportunity to act on your termination notice. You may not assign this Agreement to any other party.

This Agreement is governed by the provisions of Regulation J, 12 CFR Part 210, Subpart B, including the Appendices, to the extent that any wire transfer request is carried out. Terms which are not defined in this Agreement shall have the same meaning as defined in the Uniform Commercial Code Article 4A. This Agreement is also subject to all applicable Operating Circulars of the Federal Reserve Bank in the district in which We are located and any other applicable provisions of federal or state law. To the extent that Regulation J does not apply to this Agreement, this Agreement shall be governed by the laws of the state in which We are chartered.

We may amend this Agreement, from time to time, by sending You a copy of any amendment at least 30 days prior to its effective date. This Agreement may also be amended by a writing signed by You and Us. No representation or statement not expressly contained in this Agreement or in any amendment shall be binding upon You or Us.

If any provision of this Agreement is prohibited by applicable law, such prohibition shall apply only to that provision and all other provisions of the Agreement shall remain in full force and effect.

By using your Card after the effective date of an amendment, You will be deemed to have agreed to any amendments to the Program set forth in the continuously updated Agreement at OneAZCU.com.
