

Get peace of mind with millions in extended NCUA share insurance*

OneAZ has partnered with ModernFi to offer Extended Insurance Account, a unique product that provides access to millions in extended NCUA (National Credit Union Administration) share insurance through participating credit unions in the ModernFi Network.

What is an Extended Insurance Account?

An Extended Insurance Account provides millions of dollars in extended NCUA insurance on your deposits by distributing your balance in amounts under \$250,000 threshold to partner credit unions in the ModernFi Network. By placing your deposits under the \$250,000 NCUA limit at each credit union, your entire balance can be insured by the NCUA's Share Insurance Fund.
