

OneAZ CONNECT

SECOND QUARTER 2024

PRESIDENT'S MESSAGE

Dear Members,

With winter behind us, we look to the coming months with a renewed purpose of inspiring your dreams and driving prosperity for you, your family and your community. You are the core of our purpose at OneAZ, guiding every decision we make and every service we offer.

As we strive to be a financial institution for ALL Arizonans, we're building bridges with communities in Arizona that have previously been underserved. In March, we launched a groundbreaking multicultural outreach initiative with Novle, a grassroots organization focused on activating and engaging the Latino community in Arizona. With Novle's expertise, we are building trust and establishing meaningful connections that will enrich our community fabric for generations to come. We're not just growing; we're growing together, with a vision of prosperity for every corner of our state.

We have also made significant progress towards delivering a more holistic digital experience for our members. The recent upgrade to our DocuSign services exemplifies our commitment to convenience, allowing members to complete essential documents digitally, thereby reducing wait times and enhancing accessibility to our services. While foundational, it is a critical step towards a comprehensive digital banking experience, reflecting our dedication to meeting the evolving needs of today's consumers.

Driving prosperity in Arizona also means investing in Arizona's small businesses. Small businesses are the foundation of our economy here in Arizona, playing a pivotal role in job creation, driving innovation, and fostering community growth. We are elevating our support for local businesses through innovative solutions that will provide more efficiency and personalization so that every business has access to financial solutions that are tailored to their needs. We are looking to change the game of small business banking in Arizona because we understand that when local businesses thrive, we all thrive together.

Stay tuned because there is so much more to come. The OneAZ Team is fully on board with ensuring that you have the banking tools you and your family need to achieve your dreams. On behalf of the entire OneAZ family, thank you for your membership and for joining us on this journey.

Respectfully yours,

Brandon Michaels | President and CEO

Last month we launched Aspirations: A Multicultural Luncheon and Panel Discussion with our CEO Brandon Michaels and leaders in the Latino Community, in partnership with Novle Community Activators.

We're dedicating a quarter of a million dollars this year to 7 organizations working hard to elevate the Latino community in Arizona. Our strategic vision embraces Arizona's diversity and aims to foster inclusive communities statewide. The tagline for this initiative, "contigo en tu comunidad," reflects our commitment to being more than just a financial partner.

We're here, with you, every step of the way.
